About Us

Sajan Mirch Stores has been a trusted name in quality spices since **1988**, founded by **Shri Narotham Gupta** in Hyderabad, Telangana. For over three decades we have sourced the finest raw spices from the southern states of India and processed them under strict quality controls to deliver **100% pure, adulteration-free** spice powders to homes, restaurants, hotels and retailers across India.

All our products carry the prestigious **AGMARK certification** from the Government of India and are manufactured under **FSSAI Licence No. 13617012000134**. We offer standard retail packs as well as **loose bulk supply** tailored to hotel, catering and wholesale requirements — with pricing customised per order size.
